PROJECTS

Portfolio Website | *Astro.js, Tailwind CSS, Typescript* May 2024 – July 2024

- Developed a personal portfolio website to showcase my work and share my passion for web development.
- Implemented unique scroll numbers that highlight the current section of the page.
- Optimized for performance with high Lighthouse scores and minimal library usage.
- Ensured robust SEO with comprehensive meta tags and verification on Google and Microsoft Bing.

Kanban Web App | *MongoDB, Express.js, React, Node.js* Mar. 2024 – Apr. 2024

- Built a Kanban web application for effective task and workflow management.
- Implemented features such as task creation, editing, board creation, and column management.
- Used Auth0 for secure user authentication and data protection.
- Incorporated Radix UI for a sleek interface and Beautiful DnD for smooth drag-and-drop functionality.

Audiophile E-commerce Website | *Next.js, Tailwind CSS, Zustand* Feb. 2024 – Mar. 2024

- Created an e-commerce platform focused on audiophile products, prioritizing performance and user experience.
- Utilized Next.js for server-side rendering and fast load times.
- Used Zustand for efficient state management and Tailwind CSS for responsive design.
- Integrated features for product browsing, cart management, and seamless checkout.

Pomodoro Web App | *HTML, Sass, Javascript* Dec. 2023 – Jan. 2024

- Created a Pomodoro-inspired timer app to enhance productivity.
- Provided customizable timer settings, including short and long breaks, font options, and interface colors.
- Ensured offline functionality using Progressive Web App technology.
- Delivered notification alerts and a user-friendly interface to keep users engaged and focused.

EXPERIENCE

Volunteer Office Staff July 2020 – May 2022

Barangay Hall Sta. Monica

Sta. Monica, San Simon, Pampanga, PH

- Created a system using Microsoft Access and VBA to manage resident information, streamlining operations and improving tracking of requests and cases.
- Produced and managed critical reports (Bantay Bayan, Clean-Up Drive, Road Clearing, CDC Nutritional Status, BECA), ensuring timely completion.
- Efficiently printed and issued various certificates (residency, indigency, barangay clearances).
- Assisted residents with ID requests by taking photos, collecting information, and coordinating with the ID-producing company.
- Entertained residents with complaints, scheduled and prepared confrontations between parties, ensuring fair and orderly mediation.
- Maintained accurate records by entering and updating resident information.
